Each licensing application packet should be completed in full and mailed to the Hunting Attractions, LLC. address above. Each packet should include; a licensing application, a list of products that your company wishes to carry in our pattern(s) and a formal request for license on your company letterhead. Any literature or photographs of items you wish to carry in our pattern(s) might aid the application review process.

Please allow approximately 30 days for the processing of your licensing application.

\* required field      \*\* required of all contract binding licensee's
